OSMANIA HOSPITAL

VISION

Osmania Hospital shall be recognized as a quality health care institution in Pakistan, catering to the less privileged class of the Country.

MISSION

To provide medical facilities at affordable cost or even free of charge to deserving persons of the society without any distinction of religion and caste, through Zakat or Donations.
To provide a work environment that fosters motivation and commitment in our staff.
To expand health care facilities by developing new services in response to public expectation, while also ensuring an economically viable and sustainable financial status.

BOARD OF TRUSTEES

Chairman's Message

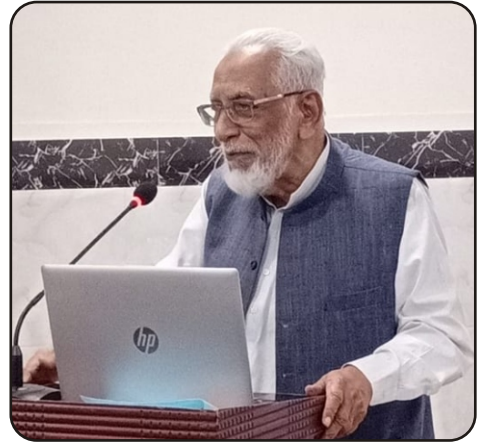

I am thankful to Allah, Who gives us courage and resources to continue to help poor and deserving class of society, as we have been doing since last eight decades. It is Allah's blessings which make the year 2022 a successful one.

Many projects completed last year which included renovation and upgradation of NICU from eight incubators to thirteen incubators , expansion and upgradation of ICU from five beds

to thirteen beds. The basement area of Osmania Hospital converted into useful one. These expansions made possible to handle the increasing numbers of patients. It is a matter of consideration that every year a large number of Pakistani population goes below poverty line, which off course not a good sign for our society.

On behalf of Board of Trustees, I congratulate CEO and all team member of Osmania Hospital for doing remarkable works in the year 2022. First time in the history of Hyderabad Relief and Rehabilitation Trust our medical team worked in five districts of Sindh and one district of Baluchistan to help flood affectees by providing them food ration and quilts along with medical treatment through camps organized in district Sukkur, district Naushahro Feroze, district Nawabsha, district Sujawal and district Sanghar. This in time action helped thousands of flood affectees and numbers of lives were saved.

I am grateful, to all donors, well-wishers and philanthropists for their support and looking forward its continuity in future.

Muhammad Ateequllah
Chairman,
Hyderabad Relief & Rehabilitation Trust

Mr. Muhammad Ateequllah is an Engineer by profession with about 60 years of Management and Engineering experience. He served at several senior positions in public and private sector. Recently he retired as Executive Director from International Steels Limited. He joined the Trust in the year 1990 as Trustee. He held the position of Vice Chairman and now Chairman of the Board.

BOARD OF TRUSTEES

Dr. Raza Baig (Vice Chairman)

The history of Osmania Hospital began from 1950, when it was in Barracks and only mother and child care unit.

With the passage of time hospital grows and different departments added which increases flow of patients.

Recent addition of Dialysis Department, addition of eight incubators in NICU and ten oxygen beds in ICU increased the capacity of handling

patients. All these made possible with the help of dedicated management team led by CEO Mr. Shakeel Ahmed Mushtaq. I am thankful to all donors who have been helping deserving patients through Hyderabad Relief and Rehabilitation Trust. May Allah bless all who are providing resources for this noble cause. Ameen.

Dr. Raza Baig is one of the senior most dental surgeons of Pakistan. Graduated from Liaquat Medical College in 1972. He served in Saudi Arabia for twelve years. He joined Hyderabad Relief & Rehabilitation Trust in 1992 as Trustee and served as “Trustee Incharge Hospital”. He became the Vice Chairman in 2012. Dr. Raza Baig is also the President of Child Health Foundation.

Dr. Kazi Taqiuddin Adil (Trustee)

Alhamdulillah, Osmania Hospital has taken giant step from a mother and child clinic to the present more than eighty bedded hospital with state-of-the-art facilities. Latest addition of Haemodialysis Unit with four latest machines and thirteen bedded NICU and ICU. All the best to the Osmania Hospital Team.

Dr. Kazi Taqiuddin Adil graduated from DOW Medical College in 1976. Post-graduation from USA and UK. Served as Consultant Physician and cardiologist in UAE for many years. He returned to Pakistan in 1989 and worked as consultant in Taj Medical Complex Hamdard Medical University and Mideast Medical Centre till 2005. Presently working as Consultant Physician and Cardiologist in Osmania Hospital and National Medical Centre. He joined Board of Trustees in 1999.

BOARD OF TRUSTEES

Dr. Shahzad Alam (Trustee)

It is an honour and a great Pride for me to be on the Board of Trustees. Osmania Hospital has been playing an important role in the society since 1950 by providing medical treatment to poor and deserving patients without discrimination of caste, colour or religion. It is a matter for satisfaction, that management with limited resources continuously tries to upgrade existing medical facilities and add new departments and services to the hospital.

Under the umbrella of Hyderabad Relief and Rehabilitation Trust several other welfare activities have also been conducted like supporting the flood relief programme, distribution of food ration, clothes and quilts among those who require these due to poverty or in the result of any natural disaster.

This would not have been possible without the support of our donors I am thankful to all donors their support is the back bone of all such activities.

Lastly but by no way leastly I would like to thank and appreciate our Management team lead by CEO Mr. Shakeel Ahmed Mushtaq for the planning and execution of all such activities and making 2022 a successful year for all of us.

Dr. Shahzad Alam graduated from DOW Medical College and did MSc from City University London. He is presently working as Consultant to Chief Minister Balochistan on Health Services. He has more than 25 years experience in Healthcare Management and has worked as Executive Director Darul Sehat Hospital and LCMD. He was also the Course Director Diploma in Healthcare and member of visiting faculty DOW University of Health Sciences. He served in Aga Khan Health Services Pakistan and Memon Medical Institute Hospital as Medical Director. Dr Shahzad has also worked in NHS UK in senior Management positions. He joined Hyderabad Relief & Rehabilitation Trust as Trustee in the year 2008.

Mr. Asghar Jamil Rizvi (Trustee)

Osmania Hospital is like a drop of rain in desert, providing the much needed quality healthcare services at a very affordable cost by subsidizing and not compromising on the needed international standards.

In recent years, many departments were added in hospital which increased the capacity of handling patients.

In the year 2022 Dialysis Department was added while the upgrading of

NICU and ICU also completed.

As a Trustee, I am sure that, Osmania Hospital will play a major role in future and contribute a lot in the healthcare sector of Pakistan. InshaAllah.

Mr. Asghar Jamil Rizvi passed BE from NED University in 1978. He served Metropolitan Steel Corporation as Managing Director. Presently he is working with Amreli Steel as Consultant. He joined Board of Trustees in 2008.

BOARD OF TRUSTEES

Mr. Ahmed Moinuddin (Trustee)

Alhamdulillah, it is a matter of great satisfaction and pride for us, that Hyderabad Relief and Rehabilitation Trust, besides providing our routine medical services to less privileged sectors of our society, we have been actively engaged this year to help those severely impacted by last year floods by providing medical treatment, food ration, clothes and quilts.

I congratulate all team members of Osmania Hospital who successfully executed these support activities, the reward of which will be given by Allah. InshaAllah.

I am thankful to all donors- domestic and overseas- specially Hyderabad Foundation USA for their support and help which provides the much needed funds for our activities. May Allah give best reward to all who participated in it. Ameen.

Mr. Ahmed Moinuddin holds degree of B.Sc (Hons) from University of London, MS from Massachusetts Institute of Technology (MIT) USA and MBA from Stanford University USA. He joined Board of Trustee in 2014.

Capt (R) Ahmed Zaheer PN (Trustee)

Following in the wake of COVID restricted 2020/21 environs and the strain on resources due demands to reach out to those affected by unusual flooding due rains- 2022 can be viewed as a lucky and fruitful year for Hyderabad Relief and Rehabilitation Trust. Thanks to the support of the donors and the dedication, round the clock endeavors of the management team- the hospital has witnessed the renovation of area and upgrading of premises including facilities of the NICU

and providing solar powered energy. However, enabling optimum utilization of spaces including over 6000sqfts of basement area and establishing of the much in demand albeit resource intensive "Dialysis Department" are activities which deserve most appreciation. I congratulate, the team led by CEO Mr. Shakeel Ahmed Mushtaq for doing us all proud. Well done and keep it up.

Capt (R) Ahmed Zaheer Pakistan Navy joined the 'Hyderabad Relief and Rehabilitation Trust' (HRRT) as a 'Trustee' in January 2021. He is a graduate of the Armed Forces War College Islamabad and holds M.Sc. Degree from the Quaid-e-Azam University. He was commissioned in the Operations branch in June 1971 and retired in 1998 to take up a career in education, which has since included a stint at the Institute of Business Administration as its Registrar for 8 years. Presently, he is serving on contract with the Navy as Director of the Pakistan Navy History & Archive, Centre in the Maritime Museum.

CEO MESSAGE

Achivements come from dreams, the dream which our forefathers saw decades ago- now turned into reality in shape of Osmania Hospital.

Hundreds of hospitals are working in Karachi city, the thing which makes Osmania Hospital different from other hospitals is treatment of patients without consideration of affordability. We at Osmania Hospital have been providing medical treatment at affordable cost and free / partially free to zakat

deserving patients. Any patient approaches us will be treated, if said medical facility is available in Osmania Hospital. No matter, what is the condition of Zakat Fund.

The year 2022 remained a successful year for us. The expansion projects of NICU and ICU have completed. So many engineering steps were taken to make, the dead space of basement, into useable space for patients. The turnover of patients increased more than 30% as compare to 2021.

The dedicated team of Osmania Hospital is not only working at medical side but also involved in other welfare activities of Trust like distribution of food ration, clothes and quilts among flood affectees. This year our team worked in five districts of Sindh and one district of Baluchistan at a time, to make sure the proper arrangements of medical camps, distribution of food ration and quilts among flood affectees. The motivation of the entire team in these activities is commendable. We pray that Allah Almighty give us the strength, resources and energy to continue these activities.

All activities of Hyderabad Relief and Rehabilitation Trust were made possible due to the support of donors and philanthropists. Your support for poor patients or any needy person through Hyderabad Relief and Rehabilitation Trust is like oil in a lamp. Please continue your support in coming years, as Osmania Hospital is a ray of hope for so many patients / persons..

73Years of Hyderabad Relief and Rehabilitation Trust

Story of Success Step By Step

Hyderabad Relief and Rehabilitation Trust founded by last Prime Minister of Hyderabad State Mir Laiq Ali (Late) in the year 1950. **The last Nizam of Hyderabad State Mir Osman Ali (Late)** helped and supported Government of Pakistan in the initial days by donating handsome amount of money which was used in given salaries of government servants as per instructions of Quaid-e-Azam Muhammad Ali Jinnah.

The main problem of Government in those initial days was the rehabilitation of refugees who were entering Pakistan without any resource. All resources of such persons left behind or lost in the way of Pakistan. In such critical time Mir Laiq Ali Khan (late) came forward and started helping refugees by formed and registered a Trust named **HYDERABAD RELIEF AND REHABILITATION TRUST** in **September 1950**.

Under the umbrella of Hyderabad Relief and Rehabilitation Trust several Industrial and Educational Institutes were established. Osmania Hospital is one of them.

In 1950, Hyderabad Relief and Rehabilitation Trust established Osmania hospital with the aim to provide medical facilities to general public. Osmania Hospital started working with very limited resources. In fact, the first room of Osmania Hospital was built with four wooden pillars which were connected each other with cotton fabric sheets.

After some years some temporary rooms were constructed which remain in use till **1994**.

In the year **1995**, construction of present hospital started.

- 1997**, the construction of present building completed.
- 1998**, Eye Clinic & Dental Clinic started
Free Eye Camps started on first Sunday of every month.
Operation Theatre Complex started its function at third floor.
It made Possible due the donation of lift made by Mr. Bashir Dawood.
- 2000**, Facilities of X-Ray and Ultrasound added to hospital
- 2005**, NICU added to hospital.
- 2008**, Laboratory upgraded
- 2012**, Echocardiography Department added
- 2013**, Emergency Department upgraded by providing necessary equipment for initial and emergency treatment.
- 2014**, Five beds ICU added to hospital.
Free Medical Camps outside Karachi started.
- 2015**, Female ward renovated and upgraded
- 2016**, Added CR in X-Ray Department.
Eye Clinic upgraded.
Accounts and Billing Department upgraded.
Training & Development Program of staff initiated
- 2017**, Hyderabad Foundation USA started supporting deserving Patients through Hyderabad Relief & Rehabilitation Trust.
Microbiology Department added.
Laparoscope Surgeries started.

- 2018, OT Upgraded
Cataract Surgeries through Phaco commenced.
Facility of Urological Surgeries added.
- 2019, Paediatric Surgery Department added
- 2020, Distribution of Food Ration among those who lost their
Jobs / incomes due to lockdown of Covid 19 pandemic
- 2022, NICU updated and renovated.
Five new incubators added to NICU
ICU renovated and upgraded
Ten more beds added to ICU.
Dialysis Department Added

Basement of hospital renovated. Eye Department, Echo and Ultrasound Department, Dental Department, Physiotherapy Department and Training Room shifted to basement.

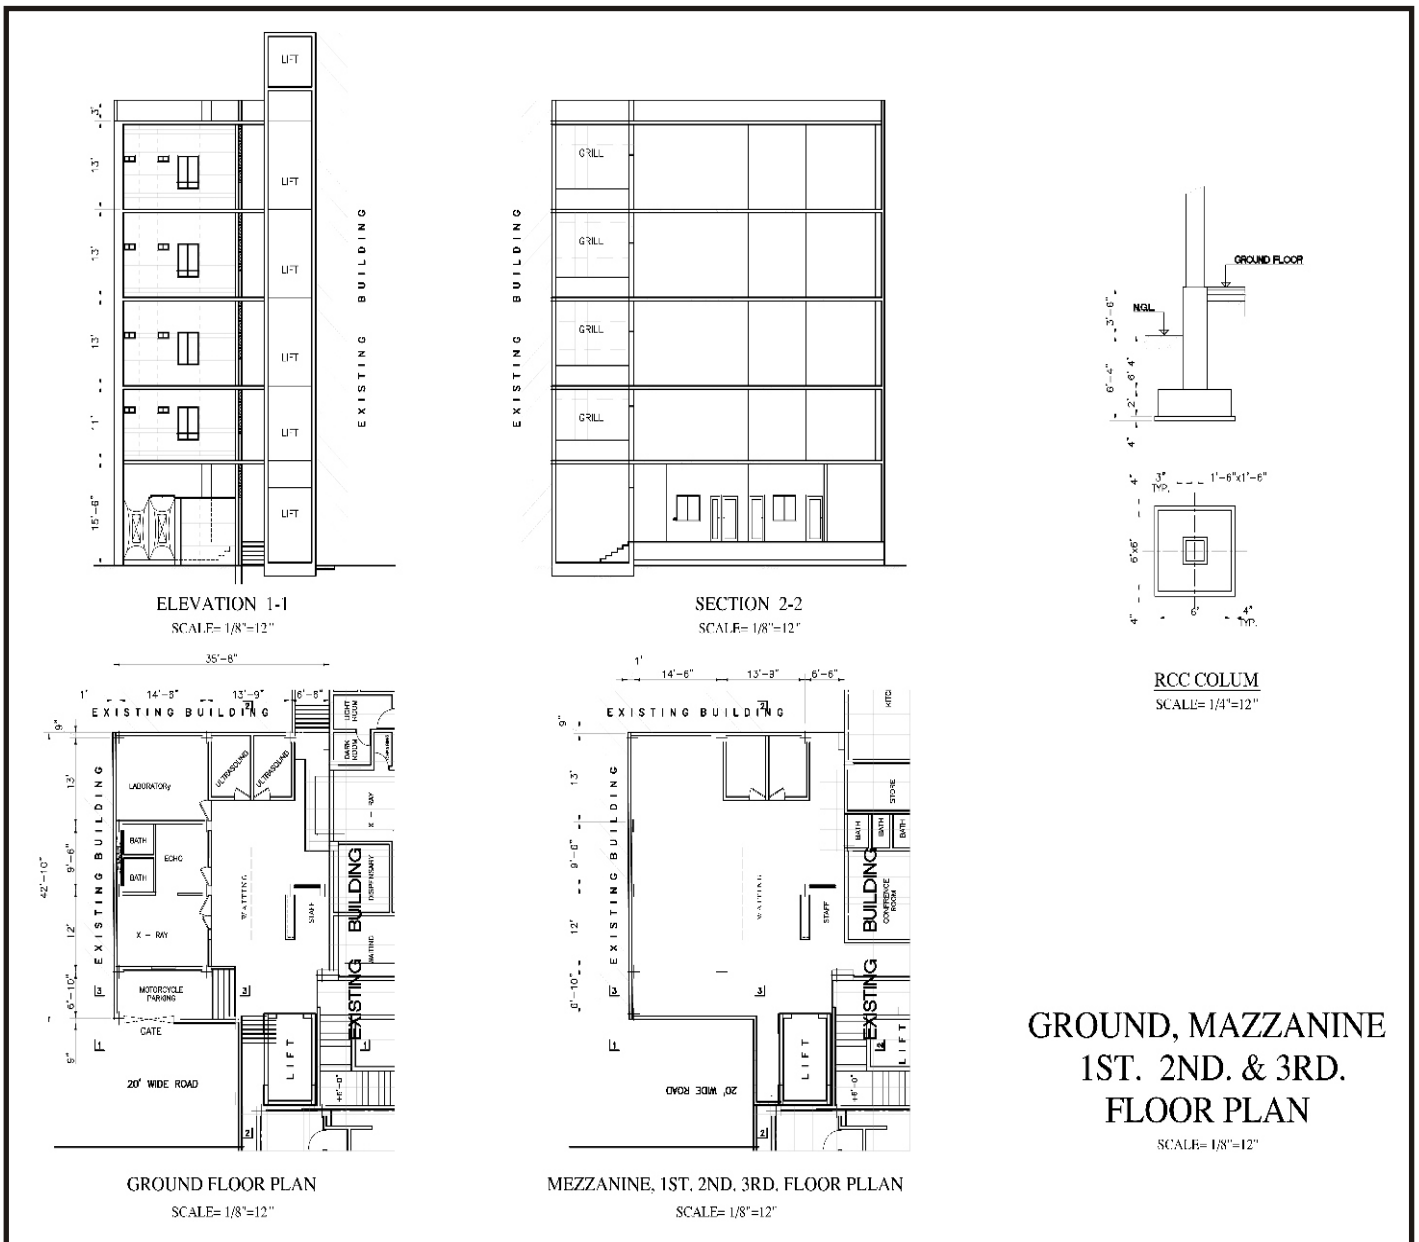

These are some milestones crossed by Osmania Hospital during last eight decades. The aim behind all these additions and upgradation is to make available modern medical treatment facilities to poor and deserving patients who are not able to get these from private sector due to high rates, the public sector is heavily over loaded and with present resources cannot take care such large number of deserving patients.

All these achievements made possible with the help and support of donors, well-wishers and prayer of patients who are getting quality medical treatment at affordable cost or free / partially free from Zakat Fund.

NEW HOSPITAL BUILDING AT ADJACENT PLOT OF HOSPITAL

Some years back we purchased an adjacent plot of hospital for expansion of hospital building as present building now fully occupied and inadequate to handle increasing number of patients.

The estimated cost of ground plus two story building is approximately 35 million rupees. During last two years with the help of donors and well-wishers 10 million are collected for said project. To start the work approximately 5 million are required more. The amount of 15 million will enable us to start the construct and finish the ground floor of purposed building.

GROUND, MAZZANINE 1ST, 2ND, & 3RD. FLOOR PLAN

Purposed New Building

OPERATIONAL HIGHLIGHTS

Medical treatments provide at Osmania Hospital under umbrella of Hyderabad Relief and Rehabilitation Trust is heavily subsidized for general public. For Zakat deserving patients all such facilities are available free / partially free.

The team of Osmania Hospital consists of highly qualified, experienced and skilled persons who are responsible to provide quality healthcare facilities to patients. We are giving special attention to control the infection rate and by the grace of Allah the infection rate in our hospital is almost zero.

Treatment in Progress of Dialysis Patients

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS

AUDITORS' REPORT TO THE MEMBERS

I B R A H I M , S H A I K H & C O
C H A R T E R E D A C C O U N T A N T S

Opinion

We have audited the financial statements of **HYDERADAD RELIEF & REHABILITATION TRUST**, which Comprise the statement of financial position as at June 30, 2022, and income and expenditure account of the Trust, income and expenditure account of the Osmania Hospital, statement of changes in Funds and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of Significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of trust as at June 30, 2022, and its financial Performance and its cash flows for the year then ended in accordance with approved accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with the International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial statements section of our report. We are independent of the trust in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the financial Statements

The Trustees are responsible for the preparation and fair presentation of the financial statements in accordance with the approved accounting and reporting standards as applicable in Pakistan, and for such internal control as the Trustees determine(s) is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Trustees are responsible for assessing the trust's ability to Continue as a going concern, disclosing, as applicable, matters related to going concern and using the Going concern basis of accounting unless management either intends to liquidate the trust or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the trust Financial reporting process.

Auditor's responsibilities for the Audit of the financial Statement

Our objectives are to obtain reasonable assurance about whether the financial statement as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the trust internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the trust ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the trust to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

FREE CAMPS

Hyderabad Relief and Rehabilitation Trust has been arranging Free Eye camps and Free Medical Camps with the help of Osmania Hospital medical team.

Free Eye Camp has been conducting since 1998 on the first Sunday of every month. It was initiated by our former Vice Chairman of Trust Syed Hamid Moinuddin (Late). Hundreds of thousand patients benefited through these eye camps. Free consultation, free medicines and free eye glasses are provided to patients. About 1000 cataract surgeries have been conducted every year through zakat fund.

Free Medical Camps are conducted in Gadap, Gharo and Sajawal. In such camps, the facility of free medical treatment, medicines and investigations have been provided to patients. Serious patients and those who required hospitalization were shifted to Osmania Hospital where complete medical treatment provided to such patients.

Free medical camps were also conducted in flood affected areas of Sindh. Our medical team arranged free medical camps in district Sukkur, district Sujawal, district Nawabsha, district Naushaahro Feroze and district Sanghar.

WELFARE ACTIVITIES

Distribution of Food Ration, Clothes and Quilts among flood affectees

During the last monsoon season Sindh and Balochistan were badly affected, with the help of donors and Philanthropies, Hyderabad Relief and Rehabilitation Trust distributed food ration, clothes and quilts among the flood affectees of District Sukkur, District Sujawal, District Nawabsha, District Naushahro Feroze, District Sanghar and District Lasbela. The Osmania Hospital team members went to said areas and distributed material in their supervision.

Distribution of Food Ration

Distribution of Quilts among flood affectees

Tohfa-e-Eid

Tohfa-e-Eid is another welfare project of Hyderabad Relief and Rehabilitation Trust. This project started in the year 2013. Thousands of new clothes have been distributed among the poor and deserving persons of society. The aim of the project is to bring smile on the faces of innocent and poor persons on the holy festival of Eid.

Distribution of Tohfa-eEid

JANUARY 25, 2021

**Chairman
Hyderabad Relief and Rehabilitation Trust
Jail Road,
Karachi, PAKISTAN**

Subject: Our charitable support for healthcare at Osmania Hospital

Dear Sir:

We are very pleased to see the good work being done by HRRT at Osmania Hospital and the number of patients being given free or highly subsidized medical treatment at the hospital.

With the growth of facilities at your hospital and the growing needs, we would like to work towards raising funds up to \$300,000 per year in the future for such charitable work for the next five years. Please take this into consideration for the future needs.

Hyderabad Foundation USA is a registered **tax exempt 501(c)(3) organization** in the USA and our donors and exempt from taxes in the USA. We intend to continue our support to HRRT.

Warm regards,

Kazi Zulkader Siddiqui
PRESIDENT

Hyderabad Foundation USA is a tax exempt 501(c)(3) registered charitable organization in the USA. EIN 81-0896655

FRIEND OF OSMANIA HOSPITAL HYDERABAD FOUNDATION USA

FRIENDS OF OSMANIA HOSPITAL

It is a great honor for us that the donors and friends of Osmania Hospital visit time to time which gives us opportunity to share the future plans and also brief them about ongoing projects.
